## The Tao of a Magic Dog.

This is a book about a dog. Actually it is more a book about a DOG. Hoomy is a dog in Capital Letters, not only because of her size, but because of her magic. She came into the lives of a troubled and traumatized family and healed wounds, brought back laughter and hope into the hearts of two little girls and their mother. As Hoomy is not only a DOG, she is also a teacher. Her secrets will open your heart.

## REVIEWS

"I could never have imagined that after only two hours of reading THE ANAGRAM OF GOD IS DOG could have such a positive impact and influence over my decisions. A superbly written life affirming and insightful book. "
